

WHAT TO EXPECT IN THE SHOWROOM

MASKS IN THE SHOWROOM

During appointments, all consultants will wear a mask while assisting customers. We do not require customers to wear a mask, but encourage you to do so if you feel more comfortable.

SCHEDULING APPOINTMENTS

We will avoid scheduling appointments simultaneously to limit the number of people in the showroom at the same time. Please only bring yourself and one other person for your appointment. We are not allowing children in the showroom at this time.

DOORS WILL REMAIN UNLOCKED

Our doors will remain unlocked.

VIRTUAL APPOINTMENTS

If you do not feel comfortable booking an in-person appointment, we are happy to accommodate you. We are available to help via FaceTime, Zoom, Skype, email, or phone.

RESCHEDULE IF YOU'RE SICK

Please reschedule your appointment if you are feeling sick or have a fever.

INCREASED SANITATION

All surfaces will be cleaned between appointments and multiple times a day as well after hours. Hand sanitizer is also available in the showroom!

We greatly appreciate your business and continued support, and look forward to helping you as we work to keep our customers and employees safe.
